COMPLIMENTARY PARATRANSIT ELIGIBLE APPLICATION

There are two types of public transportation available through TRPTA:

Fixed Route Service (regular city buses) provides service at designated bus stops along specific routes on set schedules. All buses now have features to make riding easier for people with disabilities, including wheelchair lifts and voice announcements and coming soon low floor buses.

Complimentary Paratransit Service origin-to-destination shared-ride public transportation service for people whose disability prevents them from using Fixed Route Service (regular city buses). You must call in advance to make a reservation to travel. If your disability and/or environmental barriers, prevent you from using Fixed Route service (regular city buses), you may be eligible for Complimentary Paratransit Service some or all of the time. Your ability to use fixed route buses will be evaluated through the use of this application, an in-Person Interview, and in some cases a functional assessment. A determination will be made within 21 days of your, in person interview or presumptive eligibility will be granted. When you are contacted for your, in person interview, it is to your benefit to schedule as soon as possible. Your application will not be processed without this step.

IMPORTANT: Medical condition or eligibility for other disability programs do not necessarily qualify you to use Complimentary Paratransit Service. Not having access to fixed route bus service is not a qualifier.

What is the American with Disabilities Act (ADA)? The Americans with Disabilities Act (ADA) is a civil rights law. The intent of the ADA is to remove barriers that have prevented people with disabilities from fully participating in life. Under the ADA, Fixed Route service (regular city buses) is to be the primary means of public transportation for everyone, including people with disabilities.

Travel Training TRPTA offers free one-on-one or group training to teach people with disabilities how to ride Fixed Route buses. If interested, you may call one of our travel trainers for more information call 208-535-0356 ext. 119 or 118.
